WHO ARE TAVS TAS?

In 1950 a group of actors and professionals, who habitually watched cricket from The Tavern at Lord's Cricket Ground, conceived an idea of a charity for the disabled and disadvantaged based on the love of cricket and sport more generally.

TAVS Australia was formed in 1982 and now enjoys strong, gender balanced membership in all Australian states and territories. It is an autonomous organisation with branches in every state and territory.

The TAVS TAS Branch was formed in 1985. We operate within the historical and contemporary ideals of the organisation, but also specific to our state's challenges. We assist young people disadvantaged due to physical or intellectual disability, financial constraints or geographical isolation, to take part in sport through the provision of funds, sporting equipment, transportation and facilitated opportunities.

The Tas board is a united, passionate group of volunteers with specialised and experienced skill-sets. We are motivated by enabling life's sporting dreams to come true and would love to hear from you if you know a situation of disadvantage where support is limited or would like to help generally.

WHAT IS MEMBERSHIP?

Membership is one of our major fund-raising activities, your membership donation means you join a like-minded community network of passionate supporters.

Personal involvement is not required, unless you'd like to volunteer time or resources on your own behalf. It's our way of connecting with you on a shared principle basis – in helping our State's most disadvantaged reach their potential and achieve where no support is evident. Individuals, families, businesses and organisations can join and together we can give our disadvantaged youth that sporting chance.

WHERE DOES THE MONEY GO?

All funds raised are distributed within Tasmania where they make the greatest degree of impact – including:

- 💰 National Junior Disabled Games.
- 💰 Team attendance at Academy Camps.
- 💰 Tasmanian team at Indigenous Cricket Carnivals.
- 💰 Taverners Achievement Award recipients in chosen sport
- 💰 Individual athletes' grants and scholarships.
- 💰 Special Olympics athletics support.
- 💰 Deaf, blind and intellectually impaired cricket activities.

ADAM GILCHRIST
Lord's Taverners Ambassador

Please join me and become a member of Lord's Taverners. This exceptional organisation is dedicated to raising funds which are used to help less fortunate young people in our community to achieve their goals. LT give support mostly where none exists.

By joining up you know your membership dollars will go directly to helping Tassie kids. The Lord's Taverners Australia has assisted cricketers, netballers, athletes, canoeists, rowers, soccer players, futsal players, Australian Rules players and more... not just cricket!

So please, join with me and you can help give the young and disadvantaged a sporting chance. Thank you.
